Dear Mr. President and Congress:

Now that Cash for Clunkers is over, I was wondering what our chances were for Cash For Carpet.

We could offer \$3.00 per sq yd for everyone's old carpet, and we could install new carpet, hardwood, tile, stone or laminate at discounted prices, then you could pay me later after I do a mountain of paperwork!

I'm going to get started on this, so get back to me right away... OK?

Sincerely,

Ed Cox
